

RECEIVES PIN . . . George W. Cubitt (right), 23518 Ladeene Ave., receives a pin for 25 years of service from Austin Strong, vice president of the Southern California Gas Co. Cubitt, a district distribution supervisor in the Northwest Division, was one of 570 employes honored by the firm at a series of dinners held earlier this month.

Fire Stations Become Registration Centers

Citizens may now register to vote at every county fire station in a program developed by Supervisor Kenneth Hahn.

In 1960, Supervisor Hahn initiated action to provide deputy registrars of voters at fire stations as a convenience to the public.

"In our great state where all citizens are encouraged to vote, every effort should be made to let them take a part in their government," Hahn said. He pointed out that in some states citizens have to overcome great odds and virtually risk their lives to exercise their privilege to vote.

Hahn was joined in his program to expand voter registration centers by the League of Women Voters which, with the County Registrar of Voters, trained firemen in voter registration.

A total of 104 county fire stations are participating in the program. Voters may register between 8 a.m. and 8 p.m. daily. The cities of Whittier and Glendora have also made their fire stations available for voter registration.

County libraries also are serving as registration centers and citizens may register there on the first Monday of each month from 7 until 9 p.m.

Freeway Telephone Plan Wins Backing of Group

Supervisor Kenneth Hahn's program to expand a pilot system of emergency telephones throughout Los Angeles County freeways has gained the support of the Coordinating Committee on Freeway Operations, Problems.

Lyall A. Pardee, Los Angeles City Engineer and chairman of the Coordinating Committee, informed Hahn this week that the committee would favor installation of the phones next on the San Diego and Santa Monica Freeways.

Hahn already has moved to provide county financing from gas tax monies for expansion of the phones.

HE ACTED after noting that the 80 pilot telephones on the Harbor Freeway between the Santa Monica Freeway interchange and Rosecrans Avenue have carried 4,884 calls to the police department during their first seven months of operation.

Hahn has been sharply critical of the State Highway Commission for not taking leadership in providing the valuable phones for the benefit of all motorists.

HE HAS WAGED a 10-year campaign to convince the state of the life-saving potential of the phones.

Gordon Hough, vice president and general manager of Pacific Telephone, wrote Hahn this week:

"We obviously are pleased with public acceptance of Emergency Telephones on the Harbor Freeway. This is a splendid testimony to your foresight in taking the lead on this vital service."

Ner Tamid to Hold Carnival

Children of all ages are being invited to attend a gala carnival at Silver Spur School next Sunday under the sponsorship of Congregation Ner Tamid of South Bay.

Starting at 11 a.m. and continuing until 3 p.m. will be rides, games, booths, and refreshment stands, the sponsors promise.

Planning the event are Morton Farberow, Harlan Cherman, Dr. Howard Berk, Leonard Perliss, Norman Rosen, Dr. Michael Oshry, and Mrs. Alan Vogel.

Garden Checklist

1. Bareroot planting time will soon be running out. Choose among the new varieties of roses now. Set out birch trees in small groups this month while they are dormant and you'll be rewarded with fresh, lacy foliage as soon as the weather warms up, and a graceful landscape effect in every season. Put birches where they'll get plenty of water and some shade.
2. It's time to put in ground covers. Consider the new junipers for a beautiful show in difficult spots.
3. Lawns will come to life any week now. A feeding at this time will get them off to a good start.
4. Dormant pruning should be completed now. Roses, fuchsias, deciduous fruit trees, grapes, berries. Cut fuchsias back at least one third to be sure of plenty of new growth to carry blooms.
5. There is still time to plant a cover for bulb beds. Annual alyssum is quick and good at drawing attention from ripening foliage. Pansies and violas can be set out from flats. For a striking effect now and after the bulbs have faded, set blooming Marguerite plants among your tulips.
